

DRML Fundraising Committee
Wednesday Nov. 20, 2019, 1pm

Minutes

Present: Holly Hall and Connell Gallagher.

The meeting opened at 1pm, and the items for discussion included the monthly action items, the November baskets and the 2020 Wine & Dessert Reception. Connell brought some items relating to Norman Rockwell as a December auction item. These will be supplemented by 4 decorative Rockwell dishes. We have a signed book by Diana Dunn for January.

The 10 November baskets seem to be doing pretty well, especially the ones with chocolate and coffee. That tells us something about our adult library users! Most of the baskets were donated by library volunteers. Connell thought that we should try to involve more persons outside of this circle to bring in “new” library users. Please continue to spread the word about the baskets and encourage friends to participate in this activity next year.

Connell spoke to David Osborne about donating the wine for next year’s Wine and Dessert reception. He agreed to participate again next year, but he mentioned that he would be away the middle of March. We decided to choose the last

Saturday in March, and David agreed that this would work with his schedule.

Connell will be away for most of December, so the next meeting will be on Wednesday January 25, 2020

The meeting adjourned at 1:30pm.
